

Baat Dabane Wale Topics For Class 10th Physics

- **Simple Harmonic Motion (Motion OF Mass Attached To Spring & Simple Pendulum**
- **Ripple Tank**
- **Sound Intensity Level**
- **Total Internal Reflection**
- **Image Formation In Convex Lens**
- **Compound Microscope & Telescope**
- **Electrostatic Induction & Electroscope**
- **Colomb's Law**
- **Combination OF Capacitors (Series & Parallel)**
- **OHM'S Law**
- **Combination OF Resistors (Series & Parallel)**
- **Turning Effect On A Current Carrying In A Magnetic Field**
- **A.C Generator**
- **Transformer**
- **C.R.O (Cathode Ray Oscilloscope) & Logic Gates**
- **Half Life**
- **Radioisotopes**
- **Fission & Fusion Reactions**
